

Environmental Policy

Tommy James Limited is committed to protecting the environment of the Earth.

To minimize environmental impacts concerning our activities, products and services, we shall:-

- Comply with applicable legal requirements and other requirements to which the company subscribes which relate to its environmental aspects.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.
- Regularly review environmental legislation, objectives and targets.

The company is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available for the public.

The company discloses the following significant environmental aspects relating to its activities:

Transportation use

Site waste management

Based on these significant aspects the company is in the process of accreditation to ISO 14001 to assist in the reduction of its impact on the environment
